

UsefulPix Content License

All clipart on UsefulPix is free to use — for personal or commercial projects, with no attribution required.

✓ You can

- Use it **free**, for personal and commercial projects
- Use it with **no attribution** required (always appreciated, never demanded)
- Modify and adapt it however you like
- Use it in products you **sell** — cards, prints, t-shirts, mugs, stickers, templates, apps, packaging, websites, and more

✗ You can't

- **Resell or redistribute the files themselves** — as-is or bundled — as stock images, clipart, or downloadable assets. Use them *in* your products; don't resell the files.
- Imply that UsefulPix endorses you or your product
- Use the clipart in any unlawful way

In short: you can put UsefulPix clipart on virtually anything you make or sell — you just can't repackage the original files and sell them as your own clipart or stock.

This license is granted by UsefulPix and may be updated from time to time; the version published at usefulpix.com/license governs your use. Last updated June 2026.
